Why Sponsor?

As a 501(c)3, ULI depends on our member network to support our national and local initiatives. With nearly 300 attendees expected, your company will receive exclusive recognition prior to and throughout the meeting with exposure to members of the Atlanta District Council as well as regional representative and residents, and ULI members from across the country.

About Emerging Trends

Emerging Trends in Real Estate® is a 40+ year old report jointly released by the Urban Land Institute and PwC and culminates insights from over 1,700 real estate and land use practitioners across the country who are interviewed on real estate investment and development trends each year. This program explores what the industry should expect to be the best opportunities in the coming year.
