

Emerging Trends in Real Estate 2025

November 12, 2024 | 8:00 – 11:00 am | PwC, 101 Seaport Blvd.

SPONSORSHIP OPPORTUNITIES

Emerging Trends in Real Estate® 2025—ULI's flagship publication—will be hot off the press after being launched at the Fall Meeting. It spotlights overarching trends that will play out in 2025 and affect the real estate industry overtime. Shifts in markets across the United States and structural changes in property types are integral to the conversation. Come hear a summary presentation of the report and a lively, fast-paced discussion among industry leaders of the trends and related issues.
