

Idaho

Join us in shaping the future of Idaho cities.

ULI Idaho provides **leadership** in the **responsible use of land** and in **creating and sustaining thriving communities** throughout our region.

Last year, with the support of our Sponsors we were able to:

- Grow membership through our District Council by 13%
- Hold roughly 35 programs for members to learn, tour, engage and network.
- Engage our Developers Product Council in upper-level discussions with both state and community leaders
- Support the ULI mission of advancing growth and educating the next generation of diverse leaders through our YLG program
- Facilitate 3 Advisory Services projects
- Grow UrbanPlan, developing a new half-day workshop which we took to rural Idaho cities throughout the state
- Produce successful programs in Northern Idaho
- Held our first ever ULI-Montana program, Emerging Trends in Montana Real Estate, with 40+ attendees
- Increased ULI's involvement in our community by continually bring members and key-leaders from our network to the table as identified contributors and industry leaders throughout the state.

With your support in 2023, we will:

- Expand UrbanPlan to engage elected officials and community leaders;
- Strengthen and grow member committees to ensure the long-term sustainability of our council.
- Continue to deliver our mission through initiatives and programs focused on healthy communities, housing and mobility options.

Annual Sponsorship Packages

Annual sponsorships **advance the mission** to create thriving communities at the local level. **Enhance your company visibility** with our diverse membership encompassing key leaders from all disciplines, sectors, and product types tied to real estate and land use. Your sponsorship **impacts our community** by supporting educational programs, community outreach, and research directly impacting Idaho.

Your support allows us to **connect, learn, and give back**. ULI Idaho provides thoughtful, relevant programming that convenes leaders and decision makers in the real estate industry and beyond. Attendees find value in participating for networking, continuing education, and opportunities to share knowledge. We evaluate our programs not by the number of attendees but by the leaders who attend and the relevance of the content.
