Advisory Board

The Advisory Board serves as the strategic leadership for the local ULI district council in Kansas City. It is comprised of approximately 30 leading real estate and land use professionals who volunteer their time to build a strong regional presence for the Urban Land Institute. The Advisory Board leads the council task forces and advises on strategic direction and program priorities.

Management Committee

The Management Committee implements the district council's scope of work, delivers local programs and manages financial obligations. Committee members are appointed by the district council Chair and serve two-year renewable terms of service, commencing with ULI's fiscal year.

Governance Board

The Governance Board consists of former district council Chairs and ULI Trustees. Its purpose is to provide guidance and leadership in compliance with ULI policies, practices, and code of ethics. The Governance Board oversees succession planning for District Council Chair, Chair of Mission Advancement and Treasurer.
