Annual ULI Louisiana Support

What We Do:
1. Thoughtful, detailed programming that convenes leaders and decision makers in the real estate industry and beyond, and provides useful take home value
2. Exploration of the most important issues impacting land use today including infrastructure, access to capital, regional growth, public-private partnerships, and sustainability, among others
3. Association with a strong real estate organization that crosses all disciplines, sectors and product types throughout the Louisiana region
4. A professional staff that makes sure you get the most out of your investment in the district council
5. ULI Louisiana depends on sponsorship to fund over 50% of its operating budget for the year.

Why We Do It: The Mission
The mission of the Urban Land Institute is to provide leadership in the responsible use of land and in creating and sustaining thriving communities worldwide. At a local level, ULI Louisiana brings together a thriving and dedicated multi-disciplinary community of professionals that deliver market-based, innovative and implementable solutions throughout the state of Louisiana.

A portion of your sponsorship may be tax deductible. Please check with your tax advisor for more information.

How We Do It:
» Unbeatable Programming: first looks and behind-the-scenes site tours to monthly breakfast meetings & happy hours for members.
» Multidisciplinary Networking: Our members are developers, brokers, bankers, financiers, attorneys, architects, engineers, designers, academics, nonprofit partners, and government leaders. ULI is over 43,000 members strong. We are one ULI. Once a member, you have access to events and resources from your local district council here in Louisiana to all others around the country and globe. ULI travels with you.
» UrbanPlan: In partnership with Tulane University, LSU, Isidore Newman School, and most recently, Excite! All Stars Academy, ULI Louisiana has launched this program to help students understand the relationship among community growth, development, and economic vitality. Our members act as facilitators for the course and we are continuing to grow the program statewide.
» Women’s Leadership Initiative (WLI): Launched in the spring of 2017, WLI Louisiana brings together female members in intimate roundtables to discuss best practices in land use and to promote and grow women as leaders in the real estate industry.
» Technical Assistance Panels: Members can serve as panelists for these one- to two-day work sessions that address land use challenges requiring local knowledge to resolve. An objective team of seasoned professionals forms the panel, and its recommendations often build upon the community’s existing accomplishments. As always, the outcome is of the high quality for which ULI is known.
» Local Product Councils: Launched in the fall of 2017, ULI Louisiana’s Local Product Council Program aims to provide opportunities for local members in specific development disciplines to study issues in-depth, share information, and network with other professionals in similar industry sectors. The program is based on selective and committed membership and intensive, high quality programming created to emulate ULI’s National Product Council Program.

Events and Initiatives Sponsorship

Emerging Trends In Real Estate

Emerging Trends in Real Estate® is a trends and forecast publication now in its 42nd edition, undertaken jointly by PwC and the Urban Land Institute. The report provides an outlook on real estate investment and development trends, real estate finance and capital markets, property sectors, metropolitan areas, and other real estate issues throughout the United States and Canada. At a local level, the Louisiana District Council presents an annual conference presentation engaging a speaker from PwC to present their findings and showcases local projects that reflect these trends. The conference is a marquee event for the chapter and takes place early in the calendar year.

Young Leaders Group

ULI encourages new professionals to become involved early in their career so they can begin building key relationships with industry leaders. To make this an easy first step, ULI offers this special membership category for people under 35. Young Leaders Group members enjoy all the local and national benefits of a ULI membership. The Young Leaders Group is in the process of developing a number of content-rich programs for YLG members, so that young professionals can discuss their relationships with their peers and finding new opportunities.

UrbanPlan

UrbanPlan is an engaging and interactive curriculum in which participants learn about the fundamental forces, complex tradeoffs, and social risk that affect real estate development in communities everywhere. Participants experience how jurisdictions and developers have to grapple with economics, design, and community as they negotiated deals. Trained ULI volunteers engage in the program at key points to challenge the teams and select the winner of the RFP.

Diversity Initiative Sponsor

The Diversity Committee is dedicated to sustaining a thriving Louisiana community by promoting the advancement, visibility, representation, and opportunities available to the full breadth of diverse professionals associated with the responsible use of land. The committee oversees the chapter’s ongoing diversity initiative to have a membership and volunteer base that truly reflects the diversity of the real estate industry at large.

REDI Program

The Real Estate Diversity Initiative (REDI) is a comprehensive, 15-session curriculum designed to advance the real estate careers of professionals of color and women. Thirty participants step into the role of a real estate developer, gaining direct knowledge and experience working in teams to produce a development plan, pro-forma, and marketing plan for a real project. Participants are taught by a volunteer faculty of experienced, multidisciplinary, top-tier practicing real estate professionals serving as instructors, mentors and facilitators who share market-based knowledge and the wisdom from their experience.
Annual ULI Louisiana Sponsorship

These commitments provide general operating revenue to ULI Louisiana and offer broad identity with the district council.

Our sponsor companies comprise the leading real estate industry companies in the region. Corporate sponsors receive the following benefits for their contributions, in addition to the satisfaction of knowing that 100% of their funds are going to support ULI’s local programs, educational activities, and research.

Please call or email Nicole DePietro (504-867-9942 or nicole.depietro@uli.org) to discuss sponsorship package options.

MEMBERSHIP

Connect. Learn. Give back. Become a member of ULI.

The Urban Land Institute stands at the forefront of the land use and real estate industry, a steadfast leader in the best practices for a changing world. For over seven decades, ULI has been a unique and trusted forum where members come together to share and exchange ideas, information and experiences—to shape tomorrow’s horizon and improve the way communities grow.

Associate Membership ($492 Annually)
The most popular type of membership, Associate Membership is open to all and enables you to gain access to many of the benefits ULI has to offer.

Full Membership ($1220 Annually)
Full Membership is selective and specifically aimed at senior industry professionals. Full Members have added leadership and participation benefits in addition to the benefits Associate Members receive.

Public Agency Membership ($600 Annually)
» Three memberships at a discounted rate for government, nonprofit, or academic institutions.
» Additional discounted rate on ULI Memberships.
» If an employee member leaves the company, the membership may be transferred to another employee.
» All current members will be prorated so they have the same start date.
» Master billing.
