

ULI NASHVILLE: SMART BUILDINGS, SMART SPACES, SMART PLACES PANEL

Jennifer Horne
Director of Operations & Business Intelligence

**DELIVERING SMART PLACES:
CREATING A CULTURE OF INNOVATION**

An aerial architectural rendering of a modern, multi-story brick building complex. The building features a mix of red brick and dark grey accents, with large windows and a prominent central tower. The building is situated on a city street with a multi-lane road, trees, and a green lawn area in the foreground where people are seen walking and sitting. The background shows a cityscape under a blue sky with scattered clouds.
