

2020 PRIORITIES LEADING INTO THE FUTURE

MINNESOTA MAYORS TOGETHER

Build trusted relationships: foster conversations and collaboration across the state

Reinforce the economic and environmental imperative to connect transportation, housing, and workforce strategies

Identify shared priorities and action steps

AFFORDABILITY

Promote finance and land use best practices

Engage in collective actions to increase the supply of diverse housing options

RESILIENCY

Amplify infrastructure best practices: source water, storm water, energy generation, food security, urban forestry, building practices, and broadband

Continue the conversation among school leadership and mayors

Foster inclusive cities for historically marginalized communities

Explore the social determinants of healthy communities

MOBILITY

Explore adaptive policies and practice for changing technologies: autonomous vehicles, ridesharing, and electrification

Champion robust, multi-modal, and sustainable transportation investments: roads, bridges, transit, walkability, and non-motorized
