SHOW YOUR SUPPORT FOR ULI CAPITAL REGION

The Urban Land Institute is a 501c3 with nearly 50,000 members globally. Its mission is to shape the future of the built environment for transformative impact in communities worldwide. There are nearly 600 professionals in our North Florida region that serves 34 counties from Flagler to Escambia, including Gainesville, Jacksonville, St. Augustine, Tallahassee, Panama City and Pensacola.

The Capital Region, a subset of ULI North Florida, is served by a local Board with a mission to share best practices in real estate and to connect key leaders for the betterment of Tallahassee and the surrounding communities. The Board manages various programs throughout the year including the annual Trends in Real Estate event. Our members also facilitate an initiative called UrbanPlan at local high schools and Florida State University that provides students a unique opportunity to learn about urban redevelopment.

Becoming a sponsor is the most impactful way to demonstrate your commitment to the ULI mission. Sponsors receive many benefits for their contributions to ULI Capital Region, in addition to the satisfaction of knowing the 100% of the funds are supporting local programs, leadership development, education, community advising, outreach, and research.
