Urban Land Institute (ULI Sacramento) Invites All Residents and Stakeholders of the Meadowview neighborhoods to continue the Conversation!

Virtual Meadowview Community Workshop
Monday, September 28 | 5:00-6:30 pm

You are invited to continue the conversation held on July 22, at this interactive session on Monday, September 28th. Get inspired as we learn about best practices for community-driven site activations!

- Hear from the lead architect and community organizer on how an equitable development neighborhood initiative in Chicago got started: Go Green on Racine. [https://gogreenonracine.com/](https://gogreenonracine.com/)
- Learn how Meadowview can engage with and benefit from an equity-focused planning model for the built environment.
- Evaluate community-led activation opportunities in Meadowview.
- Interactive Break-out sessions to hear your Ideas around Activating Meadowview!
- What is a Community Toolkit and what does that look like for Meadowview?

Share your Activation Ideas for Meadowview at this Interactive Virtual Workshop!
