[16:40 - Jury goes into deliberation]

16:40 – Keynote Presentation: *Wayne Glenn, From PropTech to Business Infrastructure: What Real Estate Can Learn From the Enterprise Software Journey*

Real estate doesn't have a shortage of technology. It has a challenge turning technology into scaled business change. Other industries have already travelled this road. What can real estate learn from them and what needs to change for PropTech to move from pilots, point solutions and innovation projects into infrastructure that genuinely runs the business?

17:00 – Networking

Guests are invited to enjoy refreshments, connect with fellow participants, and continue conversations sparked during the session in an informal networking setting.

17:20 – Winner Announcement

The jury returns to announce the winner of ULI PIC for Poland 2026.

17:30 – Networking

Guests are invited to discuss the PIC results, connect with fellow attendees, and continue conversations. The networking session will conclude at 18:00, marking the end of the event.
