A MESSAGE FROM ULI NETHERLANDS

A dedicated network of ambitious real estate professionals.

In the Netherlands, our 300+ members are a dedicated, ambitious group of people. From every profession and sector in real estate development and land use. In every career stage. We commit to exchanging ideas and creating thriving communities worldwide. As professionals shaping the urban land of tomorrow we play a vital role in creating safe, green, enjoyable areas for the next generation to live in.

ULI is here to help you be ready, connect and take action. We lead, inspire, connect. And we learn from each other.

Nicole Maarsen
Home.Earth / Chair
“We will continue to deliver member engagement opportunities alongside mission-driven, high-quality programming”.

Brigit Gerritse
ULI Executive Director Benelux
“ULI will prioritise research and knowledge-sharing relating to pressing issues such as rising inequality, housing affordability, and climate change – bringing to light ways in which the real estate industry can have a positive impact”.

ULI NETHERLANDS PROGRAMME

The ULI is the ideal forum for real estate professionals who care about the long-term future and the development of urban areas. As a member of the ULI you can join international meetings and online webinars organised by ULI in a European and Global level, as well as local site visits to inspiring buildings and developments.

Our local councils make sure to keep you connected with others who have shared interests. Whether it be by location, industry sector, demographic or discipline in the following member networks:

**YOUNG LEADERS PROGRAMME** provides a forum for members under 35 years of age to network with their peers, gain exposure to senior industry professionals and continue their professional education and development.

**NEXT PROGRAMME** engages and supports members aged 35-45 into all of ULI’s activities.

**PRODUCT COUNCILS** are available at both a pan-European and national level and offer a unique opportunity for members to meet and share best practice with people operating in the same sector of the real estate industry.

In the Netherlands we have three product councils:

- Climate & circularity council
- Residential council
- Urban regeneration council

**URBAN PLAN** is a realistic, engaging, and academically demanding classroom-based programme in which students learn about the fundamental forces that affect urban regeneration. ULI members can support the programme by offering their expertise to students as volunteers or supporting the programme financially as sponsors.
WE ARE REDEFINING URBAN HORIZONS

We can all see that the future of cities and urban life looks different than it has up until now. Almost every single one of humanity’s biggest challenges accumulates in the urban environment. And with that come new expectations and challenges to urban planning and building.

Together we strive to:

DECARBONIZE
Decarbonizing the real estate sector and accelerating our progress to net zero.

INCREASE HOUSING ATTAINABILITY
Increasing housing attainability in communities around the world.

EDUCATE
Educating the next generation of diverse real estate leaders.
